

# ASSOCIATION OF CHRISTIAN THERAPISTS

## Fact Sheet

### WHO...

- ◇ The Association of Christian Therapists (ACT) is an international, non-profit organization desirous of integrating the medical/healing professions under the Lordship of Jesus Christ.
- ◇ Specialty groups are divided into Allied Health, Associate Members, Centers and Institutions, Clergy and Religious, Educators, Nurses, Pastoral Care, Physicians and Dentists, and Therapists.
- ◇ ACT is an Ecumenical group open to all Christians in the healthcare professions or healing ministries who support its Vision and Mission.

### WHAT...

- ◇ ACT seeks to support...empower...and witness to its members, with the heart and mind of Jesus Christ.
- ◇ ACT is both Contemplative and Charismatic in dimension.
- ◇ ACT functions and meetings are open to the general public.

### WHERE...

- ◇ Members reside in 13 countries with the majority living in the United States.
- ◇ There are 30 Regional divisions which host Conferences, Retreats and Meetings (at the Regional and National level) for the spiritual and professional development of its members.

### WHEN...

- ◇ Founded in 1975 ACT will be celebrating its 30th year of service—

#### *Upcoming Event*

#### INTERNATIONAL CONFERENCE

**“The Journey into Wholeness and Holiness 2005, To Love as Jesus Loves”**

**Baltimore, MD—Oct 13th-17th**

**Ramada Inn at the Baltimore-Washington Airport**

### WHY...

- ◇ To know Jesus the Healer and make Him known.
- ◇ To Integrate one’s Professional and Spiritual life.
- ◇ To provide a “Safe Harbor” for the wounded healer where he/she can heal, and in turn be an instrument of Christ's healing to others.
