

SPIRITUAL BOOK ASSOCIATES -

From the library to Oprah, book clubs are flourishing. Read about the things that matter most to you...Spirituality, Healing, Prayer, etc.

Suggestions:

Spiritual Book Associates is a Book Club sponsored by Ave Maria Press. Members receive 8 new books a year for only \$64.00. Each of these new books, on contemporary spirituality and prayer, are carefully chosen by the editors. Each order includes a newsletter, *Spiritual Book News* containing a reader's group guide offering insights and questions, related to the month's selection. It is a vehicle of providing ACT members with a common book for discussion purposes at meetings or for their private growth.
