Music Ministry by Kim Lisbon

Preach the Kingdom Heal the Sick

This weekend Retreat will provide an opportunity to:

- Become more open & to let God into our hearts to heal us more deeply
- Come to know Jesus more personally and intimately
- Hear God’s individual call to each of us more clearly
- Experience healing within ourselves
- Receive a new outpouring of the Holy Spirit.
- Sharpen our willingness to carry God’s “word” and his healing love into our broken world

Retreat Prayer

Gather us in, Lord! Stir a yearning within us for the depth of healing to which you call each one of us. Give us your grace, Lord, to respond to you as you invite us to a closer walk. Come, Lord Jesus! Come and walk amongst us and let us reach out to touch the hem of your garment. There is nothing that we bring before you that cannot be transformed by your healing touch. Open our hearts to welcome you in, Jesus. Amen! and Amen.

PRESENTER

Rev. Nigel Mumford

a former drill instructor in the British Royal Marine Commandos, was born and educated in England. His conviction to pray for healing came in 1989 when his sister, Julie Sheldon, a ballet dancer with the Royal Ballet in London was healed by God. Julie had suffered with a neurological condition leaving her close to death. Her healing was a dramatic testimony of God's transforming power. In 1995, Fr. Nigel was recipient of the Wittnauer Humanitarian award. From 1996 to 2004, he was director of the Oratory of the Little Way, a healing retreat center in CT. In 2004, he became director of the healing ministry at Christ the King Spiritual Life Center in the Episcopal diocese of Albany. He is a published author and internationally well-known speaker and healing minister. Fr. Nigel has often presented at Fishnet Northeast; he is also a circuit speaker for the International Order of St. Luke and serves on the International Board of Directors of Christian Healing Ministries. He lives with his wife, Lynn, near Saratoga Springs, NY.

PLEASE NOTE

Due to Fr. Nigel's recent and severe respiratory illness [H1N1] he was intubated for many weeks and had a long hospitalization. He is experiencing a slow, yet miraculous recovery. Through ongoing prayer, we are hopeful that he will be able to be with us. His wife, Lynn, contacted us to say that he would be coming to present at our retreat, although he may need some assistance. We are sure Fr. Nigel has much to share with us after his recent difficult illness. Let us continue to pray for his complete healing.
