Conference Prayer

Gracious God, Thank you for the gift of ACTheals and for those You have called to the membership, past, present and future. We lift up each one to You now and ask that you intervene in their lives with the power of Your Holy Spirit. Anoint today each member to the ministry to which You call them. Bless them, their families and their work and unite all members with You and with each other, that as each open to You, Your will may be done, and Your people healed for the glory of Your Name. We ask by the power of Your Holy Spirit, You touch the hearts and minds of all young healthcare professionals. Give them a hunger and thirst for You Jesus, that they would desire to be healers with Your own heart that You may continue the healing work that You began through ACTheals in Jesus' name we pray. Amen.
